EIFLEAGUE eFootball – Origins Cup

Official Competition Rules – Season I (MMXXVI)

This document defines the official rules for the EIFLEAGUE eFootball Origins Cup pilot competition. The objective is to ensure fair play, clear organization and a consistent competitive experience for all participants.

1. Eligibility

- Players from any country may participate.
- Each player must register using the official registration form.
- Players must have access to the selected platform (PlayStation / Xbox / PC).
- Players must join the official Discord server for tournament communication.

2. Tournament Format

- The tournament will follow a single elimination bracket.
- Matches are played in a Best of 3 format.
- The winner of two matches advances to the next round.
- The final determines the Champion and Runner-up.

3. Match Rules

- Players must respect the scheduled match time.
- If a player is more than 10 minutes late, the opponent may receive a walkover win.
- Players must use fair play at all times.
- Any use of exploits or cheating will result in disqualification.

4. Reporting Results

- Match results must be reported after each game.
- Players may be required to provide screenshots as proof.
- Tournament administrators will validate results before advancing players.

5. Rankings and Points

- Players earn ELP (EIFLEAGUE Points) based on their final position in the tournament.
- These points contribute to the official EIFLEAGUE Player Ranking and Nations Ranking.

6. Final Decisions

- All administrative decisions are final.

- The tournament organizers reserve the right to resolve disputes when necessary.
