

EIFLEAGUE

Constitutional Addendum No.1

Digital Competition Framework & Ranking System Integration

Approved by: EIFLEAGUE Governance

Status: Official Addendum to the EIFLEAGUE Charter

Effective Date: 2026

1. Purpose of this Addendum

This Addendum establishes the structural framework for the Digital Competition Environment of EIFLEAGUE and defines the implementation of the Official Ranking System. Its objective is to regulate the organization, participation, and recognition of digital competitions operated under the EIFLEAGUE structure.

2. Digital Competition Framework

EIFLEAGUE officially recognizes digital football competitions as part of its competitive ecosystem. These competitions may include online tournaments, league competitions, ranking events, invitational competitions, and pilot competitions organized by the league. All competitions organized under EIFLEAGUE must follow the Official Rulebook, Competition Regulations, and Fair Play Policy.

3. Official Ranking System

EIFLEAGUE establishes an Official Ranking System to measure and recognize player performance. The ranking system will track competitive results, attribute ranking points, and establish player positions within the league ecosystem. Ranking may include national, regional, and global structures. Points are awarded only in official or recognized EIFLEAGUE competitions.

4. Player Participation

Players participating in EIFLEAGUE competitions must register through the official competition registration process, accept the official competition rules, and respect the EIFLEAGUE Code of Conduct. Participation authorizes the use of match results for ranking and statistical purposes.

5. Competition Recognition

Competitions may receive the status of Official EIFLEAGUE Competition, Recognized Competition, or Pilot Competition. Recognition is granted by EIFLEAGUE Governance. The Origen's Cup is recognized as the first official pilot competition of EIFLEAGUE.

6. Governance Authority

EIFLEAGUE Governance retains authority over competition approval, ranking system management, dispute resolution, and competition standards. Governance may update regulations to maintain fairness, integrity, and competitive balance.

7. Future Development

EIFLEAGUE reserves the right to expand the digital competition ecosystem to include additional tournament formats, international competitions, official circuits, and regional leagues aligned with the core principles of the league.

8. League Principles

All competitions under EIFLEAGUE operate under the principles of Skill, Fair Play, and Transparency.

Official League Motto:

ONE GAME
ONE RANKING
ONE LEAGUE

9. Effective Date

This Addendum becomes effective immediately upon approval and forms an official extension of the EIFLEAGUE Charter.
